

WE TREAT.... JESUS HEALS

SEASON'S GREETINGS !!!

Happy Christmas everybody.

2012 has been a busy and exciting year at Kiwoko.

Our annual admissions are now nearly 9,000 and deliveries 3,000.

Paediatrics ward has been refurbished, theatre suite now has an additional mini-

theatre and we have benefitted from the services of our first intern doctors in

their newly constructed accommodation. The Community Based Healthcare

programme has been rejuvenated and is now focussing primarily on maternal

and neonatal care. Our Nursing and Laboratory School results in National Examinations

again had Kiwoko amongst the best in the country and helped our application to start training midwives

which began in November. Mission team activity remains busy with the pastor's conference, prison

ministry and Medical Mission trips to Karamoja and Amolatar.

Saying goodbye to Ken and Judith Finch after 6 highly productive years at Kiwoko was obviously a disappointment, but also a reminder of the many highly committed and hard working staff who make Kiwoko Hospital what we are today.

Thank you to all our friends and supporters who enable to continue to serve those who need us. On behalf of all the staff, patients, relatives and the wider Kiwoko community let me say a big Thank You and wish you a Happy Christmas and a prosperous 2013.

*Dr. Beryl Wilson  
(Medical Director)*
